**Non-Tobacco Use** Rates are effective April 1, 2017

An Independent Licensee of the Blue Cross and Blue Shield Association

Blue Cross Blue Shield of Arizona can only raise your premium if we raise the premium for all policies like yours in Arizona. Should this occur, you will receive a 30-day notice.

## Early-enrollment Discount

If you enroll in a Senior Security or Senior Preferred plan at age 65, 66, or 67, you receive an early-enrollment discount\* on your rate. When you are Medicare eligible at age 65 to 65½, you are **automatically eligible** for the lower BlueValue rate and a 32% early-enrollment discount. Even if you are past age 65½, you may still qualify for the lower premium BlueValue rate. The BCBSAZ Medicare supplement application contains questions about your medical history and tobacco use, which helps determine your rate.
